HANDICAPS AND AVERAGES

The annual tournament of the POLISH NATIONAL ALLIANCE shall be conducted on a handicap basis. Each bowler shall receive a handicap 90% of the difference between his/her average and 220 pins in each event entered. However, under no circumstances shall a man's handicap be over seventy-six pins per game

(135

average) and a ladies' handicap be over ninety pins per game (120 average).

Each bowler shall use the highest previous season's average between September 1, 2024, and May 31, 2025 of any league in which they bowled at least twenty-one games. The league secretary shall certify the average.

If the current season's average is ten or more pins above previous season's average - the current season's average (over twenty-one games) will be used.

All bowlers required to send the latest League Standing Scores along with the USBC number.

Bowlers that do not have a established current average but have one from previous leagues we will honor that average after we check the USBC and base the average on that information. If there is no established average, the coordinator shall enter an average of two hundred for men, and 175 for women.

If an entrant turns in an average less than required, which results in an additional handicap, the team and entrant shall be disqualified if such erroneous average is not corrected prior to completion of the first.

game of a series.

ANY BOWLER FALSIFYING HIS/HER SCORE, AVERAGE OR IDENTITY WILL BE DISQUALIFIED FROM ALL EVENTS AND BANNED FROM FUTURE PNA NATIONAL TOURNAMENTS.

THE AVERAGES WHICH ARE SENT WITH THE TEAMS STANDING SHEET WILL BE USED AS AN ESTABLISHED AVERAGE. NO CHANGES WILL BE MADE AT THE TOURNAMENT. WE ALSO ASK FOR YOUR USBC NUMBER AS A SOURCE OF AVERAGE VERIFICATION.
